About Me

Akhrouf Abderraouf I'm a 21-year-old Computer Science student in my third year of university, With degrees in Computer Science , and a strong passion for web development and user interface design. I combine my technical expertise and creative skills to deliver effective digital solutions and outstanding user experiences.

Experience

Internship at Condor Electronics full-stack developer

2025 - 2026

I completed an internship at Condor Electronics as a Full Stack Developer, where I gained strong experience in both front-end and back-end web development. This opportunity allowed me to enhance my technical skills, collaborate effectively within a team, and understand how to work in a dynamic professional environment.

Computer Networks Training Program

2023 - 2024

I completed a Computer Networks training program at Mohamed El Bachir El Ibrahimi University, where I learned the fundamentals of networking, device configuration, communication protocols, and system security, which strengthened my understanding of IT infrastructure and management.
